Suzhou Public Security Bureau (PSB) No Longer Allowing Third-Party Escorts

Though it has been a common practice for Pro-link GLOBAL (China) to escort assignees into the Suzhou PSB, it is no longer being permitted. Instead, the local HR representative will need to accompany the assignee into the local authority's office. PLG will continue to prepare cases as before, but when it is time to complete the last step of entering the building with the final registration, Third Parties will not be able to assist.

Thank you for affording us the opportunity to assist you with this critical and complex piece of the immigration process.

We trust that you find this Alert useful in the planning of your global immigration moves.
