Immigration Alert

Issue: 0109

January 18, 2009

UNITED KINGDOM: Pro-link GLOBAL Corporate Immigration services is expanding our existing process center in the UK with immediate effect.

This will enable us to provide more services to our United Kingdom-based clients. In addition, our office will be a coordination center for all EMEA immigration processing. With our practice of "follow-the-sun" case management, 2009 will bring an enhanced level of service for all our clients with the addition of the new team.

Please join us in welcoming our new UK staff members, Ian Juul and Michelle Meischke. For contact information, please see below:
