

Pro-Link GLOBAL, Inc. Introduces New Team Member, Jason Rogers, Immigration Counsel

Pro-Link GLOBAL, Inc. would like to introduce the newest addition to the U.S. team, Jason Rogers. Jason is joining PLG as Immigration Counsel and will be based in Atlanta, Georgia.

A performance-driven individual with a legal and human resources background, Jason brings a diversified depth of knowledge and experience to the Pro-Link GLOBAL family. He received his J.D. from the Seton Hall University School of Law and his B.A. from the University of North Carolina, Chapel Hill.

As counsel, Jason will apply the high-level of global expertise he acquired at a leading consulting firm where he focused on immigration compliance for international business travelers and assignees. More recently, at a reputable U.S. law firm, he successfully managed global casework and assisted corporate clients with visa and immigration matters, all of which make his role vital to the success of Pro-Link GLOBAL's unremitting emergence into corporate global immigration.

With this addition, Andrea Elliott, Senior Counsel, will be transitioning into a new role to focus on PLG company initiatives. Over the next twelve months, PLG will be launching a new, dynamic website; securing ISO 9001:2008 certification; and incorporating Six Sigma methodologies into our company culture. Andrea will remain a resource to our clients during this transformation.

We are excited about the upcoming changes and will continue to provide the quality service that sets PLG apart from its competitors.
